ETHICS AND MEDICAL REGISTRATION BOARD

F.No. R-19022/08/2023/Ethics

1048032

Dated: 18 August 2023

To,

The Registrars
All State Medical Councils(As per list)

Subject: Registered practitioners to not display any degree/qualification which is not recognized by MCI/NMC regarding

Sir/Madam,

Instances have come to the notice of Ethics and Medical Registration Board where registered Medical Practitioners claim to be a specialist without having requisite qualification in a particular Branch.

2. The issue of self proclaimed specialist or super specialist with unrecognized medical degrees and diplomas has also been raised by organizations working in the field.

3. In order to increase the awareness of the common citizens as well as unregistered doctors on unethical practices across all the states in India, it is necessary to spread the message against the use of any fake/unrecognized medical degrees by Registered Medical Practitioners and the punitive action that comes with it, including suspension/cancellation of their medical registrations in accordance to the law.

4. In this regard, all SMCs are requested to spread awareness about provisions contained in Regulations of NMC according to which Registered Medical Practitioner shall not claim to be a clinical specialist unless he/she has NMC recognized training & qualification in that specific branch of modern medicine.

Yours faithfully,

Mittal
